

## [Metro Vancouver: Survivor 101](#)

The Survivor 101 series focusses on key areas that past participants have expressed an interest in learning more about:

- Not-for-Profit Lifecycles
- Board Development
- Volunteer Engagement
- Funding

## [MAXguide](#)

Metro Arts Xperience: Metro Vancouver's online arts and culture guide that provides free listings of arts and culture events for arts organizations, individuals and selected arts and culture businesses.

## [Administrators of Volunteer Resources BC \(AVRBC\)](#)

A professional association for individuals involved in the management of volunteer resources. AVRBC's twitter handle is @avrbc. Our hashtag is #volleaders. We are also on [Facebook](#)

## [Tech Soup](#)

Qualified charities, non-profits and libraries can order donated and discounted software, such as Microsoft Office, Bitdefender Antivirus and Shopify, for a very low administrative fee.

## [Net2Van](#)

Excellent workshops and information; supported by Tech Soup. Convening with local communities to share ideas, learn from each other, and even collaborate on projects for real world impact.

## [PM-Volunteers: Project Management](#)

Connecting qualified project managers with the project needs of local non-profit organizations could deliver multiple wins to both parties while gifting our communities with a diverse legacy of benefits.

## [Volunteer Canada](#)

Lots of resources for volunteer managers.

## [Event planning information – City of Vancouver](#)

Information from the City of Vancouver. Note that each city will have their own requirements and bylaws so check with the city where you are planning to hold your event.

## [Festival Planning Guide – City of Calgary \(Event Planning Guide\)](#)

This is one of the best I've seen – I'm not sure if there is a Vancouver equivalent.

Topics include:

- Festival and Event Application Process
- Venue Selection
- Site & Date Priority
- Production Services
- Funding for Festivals and Events
- Festival and Event Permits
- Insurance for Festivals and Events
- Event Infrastructure
- Operational Plan
- Site Map/Route Map

- Event Production
- Emergency Response Plan
- Communication plan
- Pre-approved Routes for Walks and Runs

### [Community Volunteer Connections](#)

A great resource for volunteer management. Community Volunteer Connections brings communities together by promoting and creating meaningful volunteer engagement.

### [Richmond Cares, Richmond Gives.](#)

Offers the Volunteer Management Training Series (VMTS), a six-module introductory series ideal for new professionals to the field of volunteer management. Participants will learn the integral components of a successful volunteer program.

### [Go Volunteer](#)

Volunteer Management

### [Non-profit with balls – Facebook page](#)

A cheeky page with lots of great insights and keen observations.

### [Energize](#)

For leaders of volunteers. Information about engagement, recruitment, trends, issues and professional development (American site).

### [Better Impact](#)

One of the many volunteer management software's available.

### [Volunteer Spot](#)

A free volunteer management software site.

### [International Volunteer Managers Day](#)

Celebrating managers of volunteers!
