

LSCR PERMIT: 18-001
NSMBA
TAP Program

PERMIT DURATION:

January 1st 2018 – December 31st 2018

APPLICANT INFORMATION:

CONSIDERATIONS AND/OR RESTRICTIONS:

1. Permit issued for the North Shore Mountain Bike Association for the TAP program and other additional trail maintenance days to conduct work within the LSCR on the following trails on specified dates throughout 2018; Richard Juryn, Forever After, Dales, Corkscrew, High School League, Cabin trail, and Circuit 8 trail. Trail days are to be led by pre-approved NSMBA trail maintainers. See below table on page 3.
2. All trail maintainers are to adhere to LSCR trail building standards and guidelines and **MUST** follow the established procedure listed below.
 - Builder to contact LSCR staff (Matt Harmeson) and provide details of the scope of desired work.
 - A walkthrough of intended worksite by LSCR staff and lead builder to follow. Discussion of vision and plan of trail days to occur. Must get approval from LSCR staff prior to any work commencing.
 - Trail day
 - A report must be completed at the end of each trail day explaining work that was completed and outstanding work not completed. This update should include pictures of new work.
3. Please leave the area as you found it – tread lightly. Remove all garbage, flagging and any tools upon completion of work. Keep worksite organized and free of any obstacles or hazards.
4. Adequate first aid and communications must be maintained.
(Note: mobile phones will likely not work in most trail areas)
5. Access and safe-use of trails by all other LSCR visitors must be respected at all times. **Public Safety must be the utmost priority** of the permit holder(s).
